

Be Sure to Use Only Cream of Tartar Baking Powder

Food made with alum baking powder carries alum to the stomach unchanged. Scientists have positively demonstrated this and that such food is partly indigestible and unhealthful.

Mr. W. E. Stewart and Miss Annie Lute Gillespie, who were married in Carlisle this morning at 7 o'clock, passed through this city and took passage on the 9 o'clock C. and O. train for Cincinnati. Mr. Stewart is the accomodating Station Agent of the L. and N. at Carlisle, while the bride is the youngest daughter of ex-State Senator J. C. Gillespie.

SPECIAL SERMONS.

Pastor Chadwick reports that a number of indications of growing interest were observed yesterday. This will doubtless be true each day, though there is no need that many wait for deeper interest before they come. Come, be helped and get ready to help others now. Plain, direct and stirring messages were spoken yesterday by the helper, Brother Clark. Members of the Church who do not hear him are causing loss to themselves and their Church. Come to every meeting. Come today. Bring your friends. Hours 2:30 and 7 p. m. Good singing; take part in it. Everybody welcomed to all meetings.

The King of Spain is a skillful and fearless rider, a keen motorist, a deadly shot with either rifle or revolver, a splendid fencer and an exceptionally clever boxer.

Thursday the grocers will be well supplied with rabbits.

James H. Bradford, colored, has rented the property on the corner of Front and Limestone streets, and with the permission of the City Council will open a saloon and eating house.

SPORT BEGINS

The Hunting Season Will Be in Full Blast Hence

The hunting season opens today and the influx of hundreds of city Nimrods into the preserves of Bunny Cottontail and Bob White portends death and destruction.

Rabbits are as plentiful as flies in August, but quail is scarce.

Councilman John H. Dersch, Fred Cablah and Bruce Crawford left this morning for Fleming county for a four days hunt.

Another outfit in a double rig, consisting of Ed Whittington, William Throckmorton, Joe Crawford, James Outten and John Anderson of Cincinnati, Frank Hason and his two dogs, started for the Minerva neighborhood.

They will hunt rabbits and quail in the day time and chase the festive coon at night.

Each delegation was heartily supplied with ammunition, edibles and liquors, and if they do not kill game and have a good time it will be something out of the ordinary.

Deafness Cannot be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars now. P. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

The new Government regulations to insure safety on river steamers are doing considerable good. Inspectors Dameron and Payton tested the rules for an imaginary fire a few days ago on the steamer City of Louisville at Cincinnati. Within thirty seconds from the sound of the signal the crew had the life boats lowered and manned, while a huge stream of water was playing on the supposed burning cabin. Trained jacksies from the navy could not have done it better or quicker than the crew on the packet.

Vinol THE COD LIVER PREPARATION WITHOUT OIL

Vinol is fast superseding old-fashioned cod liver oil and emulsions because, without a drop of oil or disagreeable feature, it contains all the medicinal elements of cod liver oil, actually taken from fresh cods' livers. By our process the oil, having no value either as a medicine or food, is separated from the medicinal elements and thrown away. Unlike old-fashioned cod liver oil and emulsions, Vinol is deliciously palatable, agreeable to the weakest stomach, and therefore unequalled as a body builder and strength creator for old people, puny children, weak, run-down men and women, after sickness, and for all pulmonary diseases. Everything Vinol contains is named on the label.

OUR GUARANTEE—We have such faith in VINOL that if you will take it we promise if it does not benefit or cure you we will return your money without question. We take all the risk.

JOHN C. PECOR,
DRUGGIST.
